## EDUCATION

---

### Lambda School

May 2019

- Continued education on Full Stack Web Development.
- Became very familiar with the use of today's most popular languages, frameworks and libraries such as, Javascript, React.js, Node.js, Redux, MongoDB, Java, Python etc.
- Participated in multiple Build Weeks where we were grouped up and given specific tasks(UX, FrontEnd, BackEnd and Team Lead) to simulate the structure and communication necessary for an actual work environment.

### Palm Beach Code School

November 2018

- Learned about various programming languages, frameworks, compilers and libraries. HTML, CSS, PHP, vanilla Javascript and Bootstrap to name a few.
- Created an online portfolio to showcase our understanding of said languages.
- Created a capstone project incorporating the use of all programming languages and concepts taught to us.

---

## WORK EXPERIENCE

---

### PJ Wise Development

Jensen Beach, FL

*Owner*

November 2018 – Ongoing

- Daily use of time management skills to meet client deadlines.
- Use of Adobe XD and Photoshop to create my own UI design concepts and then bringing them to life with various programming languages.
- Daily communication with clients to update and maintain website and website features.

### Zumiez Inc.

Jensen Beach, FL

*Assistant Manager*

September 2016 - March 2019

- Managed a sales team to consistently exceed personal and store goals.
- Use of time management skills to meet deadlines for store projects.
- Focused on product placement and social media engagement to allow product to sell itself.
- Was chosen as employee of the period for ten consecutive periods during 2018.

### iFixandRepair

Port St. Lucie, FL

*Store Manager*

June 2016 - September 2016

- Created and edited schedules to maximize the use of hours.
- Trained and delegated all staff on a daily basis.
- Repaired both software and hardware issues on various brands and models of cell phones, tablets and laptops.
- Created advertisements on social media platforms such as Facebook and Craigslist. Also created flyers for advertising and to establish relations with local brick and mortar businesses.

---
